

Dear Sauk Valley Wrestling Club Parent(s),

The club requires that you leave a \$75.00 deposit for each singlet that is issued to you. This deposit is refunded to you upon return of the singlet, following the end of the wrestling season. We have had some confusion in the past few years regarding the return of the singlet and deposit check; therefore we are drafting this letter in an effort to clarify the club's policy.

All singlets must be turned in by the date of the Sauk Valley Wrestling Club annual banquet or April 1, 2011, or the singlet deposit **WILL NOT** be returned. If you have not returned the singlet by this date, the club will assume that you intend to purchase the singlet, and your check will be deposited into the Sauk Valley Wrestling Club bank account. No singlet deposit checks will be deposited prior to the deadline.

To alleviate any confusion we are asking that you sign this letter, acknowledging your awareness and understanding of the Sauk Valley Wrestling Club policy regarding singlet deposits.

I understand that the deposit check that I am entrusting to Sauk Valley Wrestling Club will be deposited into the Sauk Valley Wrestling Club bank account should I fail to return all singlets in my possession by April 1, 2011. I also understand that no refunds will be issued once this check has been deposited.
